

A dark granite headstone with a central nameplate. The nameplate is a lighter, rectangular section in the center of the stone, containing the name "GUAY" in a simple, serif font. The main body of the stone is dark and speckled. On either side of the nameplate, there are decorative carvings of a cherub or angel figure, with wings and a halo, holding a scroll. The stone is set on a base and is surrounded by dry leaves and twigs in a wooded area.
